## Reunion Information

We are down to less than two months away from our 2024 reunion. It’s going to happen in Ontario, CA at the Ayers Suites Ontario The Mills Mall from **October 3rd to October 6th**. The rooms that have been blocked for us are fully equipped and comfortable. The hotel features include:

- Ayers Suites is located adjacent to the 1.7 million square foot Ontario Mills Mall.
- Complimentary full American breakfast.
- Complimentary shuttle service from the Ontario Int’l Airport.
- Complimentary parking.
- Complimentary baked cookies daily at the front desk.
- Complimentary daily newspaper.
- Complimentary Evening Reception on Thursday Oct. 3rd.
- Complimentary wireless internet access.

The Ontario Mills Mall is huge. There are almost too many restaurants to count featuring everything from hot dogs to really expensive steaks.

Here is a brief description of what we have scheduled. Thursday evening, we are planning on ordering pizza and gathering in our hospitality suite for everyone who is interested. Friday will start with a short drive to Central Park in Rancho Cucamonga for our memorial service KIA’s. Transportation will be provided. The city built The Freedom Courtyard to commemorate the local veterans as well as the different branches of our military. Saturday morning both the board of directors meeting and the general business meeting will be conducted. That evening we will have our banquet. There are probably a lot of people who want to pig out on the local Mexican cuisine, and that is great. But our meal for that evening is being catered by a local Mexican food caterer and restaurant owner. He serves excellent food. After dinner we will hold our traditional auction. Sunday is checkout day for most of us.

My number is 951-741-6429. Call for questions, Frank Svensson.

## President's Report 2024 2nd Issue

**Bucket list**, do you have one? Or did you have one that all the items have been checked off? Personally, I never had one. Rather, I just tried to stay aware of opportunities that might be attainable. Usually, these opportunities came about as a result of my line of work.

I was fortunate to work for a company that operated in an international market. As a result of assignments, I was able to travel to places that a younger self might only have read about or seen in

restricted to domestic locations. How lucky we are as Americans to live in a country of great expanse and varied landscapes.

My favorite mode of travel is on two wheels. The seat of a motorcycle is the best way to experience passing through the land. From taking in the smells to enjoying the radii of a well curved road, I can't think of a better way to see the country.

Recently, I was presented with such an opportunity. Some members of our local chapter of the CVMA

books or on TV.

Now in retirement, most of my travel is

(Combat Vets Motorcycle Association) had planned a trip to South Dakota.

*Continued on the next page*

There were to be five bikes on the trip. However, one rider dropped out because of a conflicting event and another because of a health issue. This provided the opportunity for me to join the trip. So, we ended up with four bikes.

A Vet who was with the 82nd Airborne was raised in Lead and owned a house there that he was willing to rent out. Lead is about 3 miles from Deadwood where we had our 29th reunion in 2018.

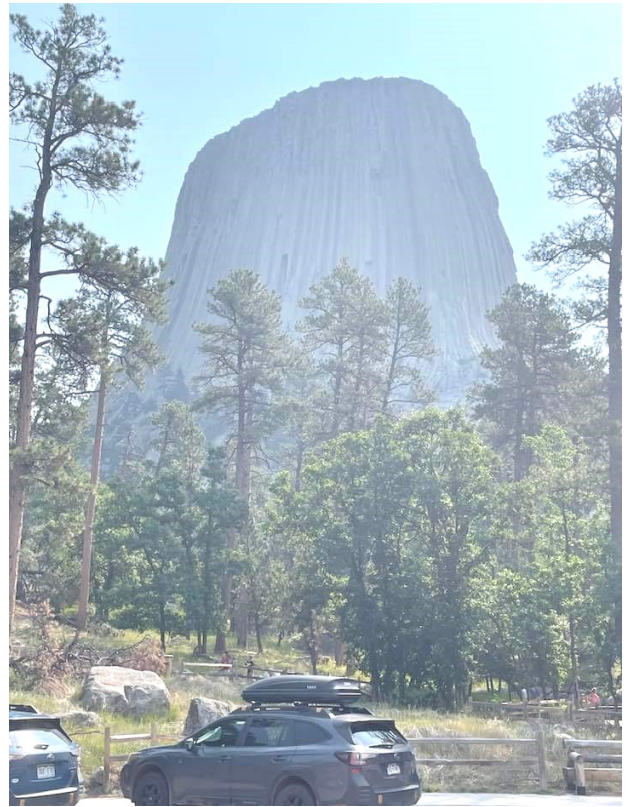

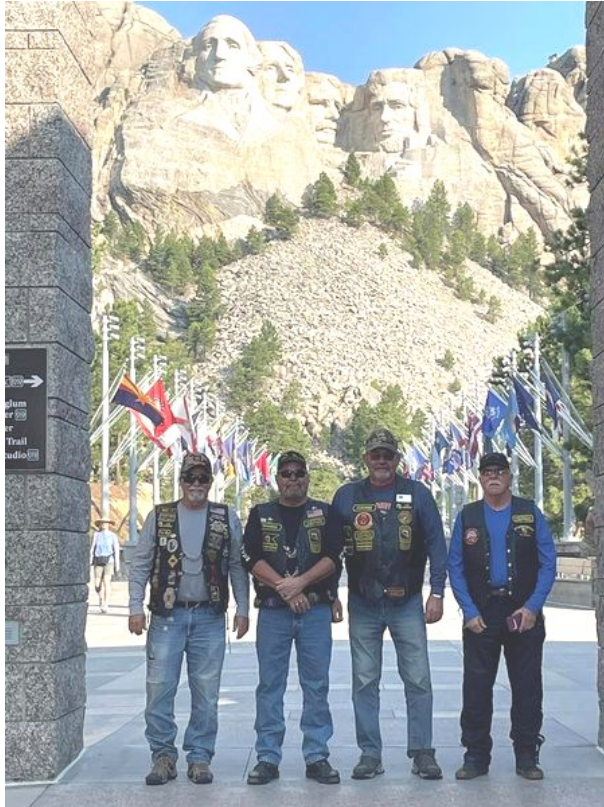

We stopped at the Badlands on the way to our final destination in Lead. With Veteran ID as proof of service we obtained our pass for free entry to all national parks. The Badlands is stunning. Not only for the topography, but for the vastness of the views.

For the next week we rode some of the most spectacular roads in the country and enjoyed the camaraderie hanging out in a large garage each evening. Other than me, the group was comprised of a Marine who was in RVN in '68 and was stationed north of our AO. There was also a Vet of the 82nd Airborne / SF, and an Iraq era Vet. Of course we visited Mount Rushmore, Devil's Tower, Crazy Horse Memorial and spent time in Sturgis too.

The most meaningful visit was to the Black Hills Veterans Cemetery. That is where we had our memorial service at the 29th reunion.

So, I didn't want this column to be a travelogue but rather to share the story of Vets enjoying each other's company while experiencing the beauty of our homeland, and an encouragement to all, that if you get the opportunity and have the capability it's worth the effort.

It's a short time to the reunion in Ontario, Ca. We're looking forward to seeing you all there.

Our organization exists for all our membership, so please let us know of any issues or ideas that you think need to be addressed or can be helpful.

You can email me at [lrrp75thin@aol.com](mailto:lrrp75thin@aol.com). Please include Ranger in the subject line. Stay Well, Stay Safe and take care of one another.

RLTW!

I thought I'd share a bit of history, shortly after 12 of us new volunteers joined the 196<sup>th</sup> LIB LRRPs in Chu LAI, (picture #1) the new roster was posted with the old and us new guys. Getting ready to jump on that chopper and head out on my second mission. That's a rattlesnake on the front chopper.

**Jace's Basic Training Graduation**

Good morning to all. Yesterday morning at Fort Moore (Fort Benning GA) my grandson graduated from Basic Training.

The attachments, Jace's mailing address & a picture. Jace's Battalion Commander LT. Col Hall stood with his arm over Jace's shoulder, and his aide took the picture, which is quite an honor.

I'm so proud of him. Take care.

# VA Update

## Presumptive cancers related to burn pit exposure

We've expanded the list of presumptive cancers for eligible Gulf War and post-9/11 Veterans. A presumptive condition means we assume (or "presume") that your service caused your condition.

Read this page to review the most common types of cancers that we now consider presumptive for eligible Veterans. If you have one of these cancers and had exposure to burn pits or served in a qualifying location, you may be eligible. We encourage you to file a claim for disability compensation and apply for VA health care now.

Eleanor Stark never gave up hope for "Buck" Bagley to return home. It took 80 years.

Eleanor Bagley Stark holds "Buck's" photo in 2023 when she and son "Woody" attended "Buck's" induction into Georgia Military Veterans Hall of Fame. An empty, brown Ranger dress jacket with shirt, tie and white gloves displays "Buck's" awards as it lays on top of his remains in an open casket at Paulk Funeral Home.

For her 90<sup>th</sup> birthday, Eleanor Stark "ran away from home" without telling her children, bought a plane ticket and flew to Dallas, TX to attend her first Merrill's Marauder reunion. Even though she has been seeking information about – Luther E. "Buck" Bagley – since his July 25, 1944, KIA death, the Marauder reunion revitalized her. "Woody" and his wife, Pat, supported her efforts. Her three daughters – from remarriage- Gail Hadley, Susan Hadley and Ty Hodges, also supported their mother's quest to bring "Buck" home. She attended Ranger and Merrill's Marauder events at Ft. Benning, Savannah and Dahlongega. She contacted Oliver North plus told local and state media about "Buck" on special military remembrance days. In 2017, the Past Conflict Repatriation Branch said the search for "Buck" was still active and contacted "Woody" for DNA. **(RIGHT CENTER)** "Woody" was by his mother's side greeting countless visitors during "Buck's" Aug. 10, 2024, visitation and reception. Their casualty officer, SFC Selina Nixon, Hunter Army Airfield, ensured events ran smoothly. **(FAR RIGHT)** Eleanor was honored during 2023 "Rosie Day" at FDR's Little White House by ARTB commander COL Chris Hammonds presenting her with a Marauder Congressional Gold Medal. **(BELOW-L)** At 2021 75<sup>th</sup> RR Association banquet, Eleanor visits with Marauders Bob Passanisi (L) and Gilbert Howland. **(BELOW-Ctr)** Eleanor with "Buck" in uniform. **BELOW-R)** Eleanor holds one-month-old "Woody."

**Myitkyina's Last Stand**

3 stanzas from PFC Ralf L. Keasling poem

At Myitkyina today they lie at rest. They were soldiers all and gave their best. They fought and died in days of rain, and prayed for sun that never came

Through mud they crawled to find their foe. They cursed and swore, but on they go. As days went by and night fell, they all slept on the walls of hell.

Myitkyina has fallen at last, they would be glad to know of the finished task. But the trails are filled with Yankee blood of gallant men who fought, died in Burma mud. Courageous men these, they fought and fell. Bless them all. God treat them well.

created by Jonnie Melillo Clasen

Young and old Fitzgerald residents standing on town streets and country roads held a hand over their heart or waved a flag as a long line of Patriot Guard Riders led the hearse carrying MIA Luther E. "Buck" Bagley's remains to Evergreen Cemetery Aug. 10, 2024. It was the day 80 years ago when the 5307th CUP disbanded in Burma, little more than a week from when "Buck" was KIA there July 25, 1944. His son, "Woody," was 11 months old and his widow, Eleanor (Stark) was 19 and a Rosie the Riveter in Savannah's shipyards. Eleanor turns 100 Sept. 6th. "Woody," his wife, Pat, and mother (TOP CENTER) listen to 75th RGR Regiment, 1st BN chaplain CPT Joe Kumor. A WW II American flag with 48 stars draped "Buck's" coffin. Both "Woody" and Eleanor (CENTER) were presented with a flag. Three of the funeral detail from 1st Ranger BN at Hunter Army Airfield (LEFT) execute a rifle salute. An attractive six-foot, grave ledger shows "Buck's" photo and awards. Civic & military groups made presentations during a reception at the Blue and Gray Museum. Nine Marauder sons and daughters from four states, active and retired Army Rangers, plus hundreds of friends & family members gathered that Saturday to bid "Buck" "God speed."

# Request for Book Publication

I hope this message finds you well. My name is Chris Borrelli, and I am reaching out on behalf of the 75th Ranger Regiment Association. We are in the process of creating a comprehensive publication that celebrates the history, achievements, and personal stories of the brave men and women of the 75th Ranger Regiment.

Our goal is to include as many voices and experiences as possible, and we are seeking your assistance to reach members who may not yet be aware of this initiative. We kindly request your help in distributing brochures to your members. We will cover all associated costs and provide the necessary materials.

Additionally, we would greatly appreciate it if you could include an announcement about this project in your next newsletter. This will help ensure that we reach a broader audience and gather a diverse collection of stories and photos.

We are especially keen to reach LRRP Company Rangers. In our outreach, we are emphasizing the importance of contributions from every VN LRRP company. We want each company to have a dedicated section in the publication, and we are inviting any individual who wants to share their bio and pictures to submit their information ASAP to [art.attaway@75thrra.org](mailto:art.attaway@75thrra.org).

Here is a brief overview of the information we are looking to gather:

- Personal biographies detailing their time in service and beyond.
- Photos that capture their experiences and memories.

Personal stories and accounts of missions, camaraderie, and significant moments.

Your support in this endeavor will be invaluable in helping us create a rich, comprehensive, and inclusive record of the 75th Ranger Regiment's legacy.

Thank you for considering our request. We are confident that, with your assistance, we can honor and preserve the stories of our fellow Rangers for generations to come.

Please feel free to contact me directly if you have any questions or need further information.

Best regards,

Chris Borrelli

Executive Assistant / 75th RRA
